

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF GAS COST RECOVERY     )  
FILING OF SIGMA GAS CORPORATION     )     CASE NO. 98-244-E

O R D E R

On December 15, 1999, the Commission issued its Order in this proceeding rejecting the rate adjustment proposed by Sigma Gas Corporation ("Sigma") and approving an alternative adjustment in rates for Sigma based on a different calculation of its Expected Gas Cost ("EGC") in accordance with its approved gas cost adjustment ("GCA") clause. The Commission subsequently received information from Sigma indicating that its calculation of its EGC was correct and that the information upon which the Commission had made its adjustment was no longer representative of Sigma's current supply situation.

Based upon a review of the information provided by Sigma, and that already in the record, the Commission finds that the EGC information provided by Sigma in its filing of November 29, 1999 was the correct information that should have been used to calculate its EGC and its Gas Cost Recovery Rate ("GCR").

IT IS THEREFORE ORDERED that:

1. The EGC of \$3.9380 and the GCR of \$3.8308 proposed by Sigma shall be approved with an effective date of January 1, 2000.
2. The rates as set out in Appendix A of this Order are the correct rates to be charged by Sigma effective with bills rendered on and after January 1, 2000.

3. Within 30 days of the date of this Order, Sigma shall file with this Commission its revised tariffs setting out the rates approved herein.

Done at Frankfort, Kentucky, this 18<sup>th</sup> day of January, 2000.

By the Commission
